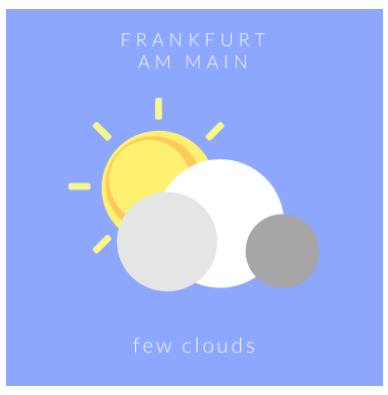
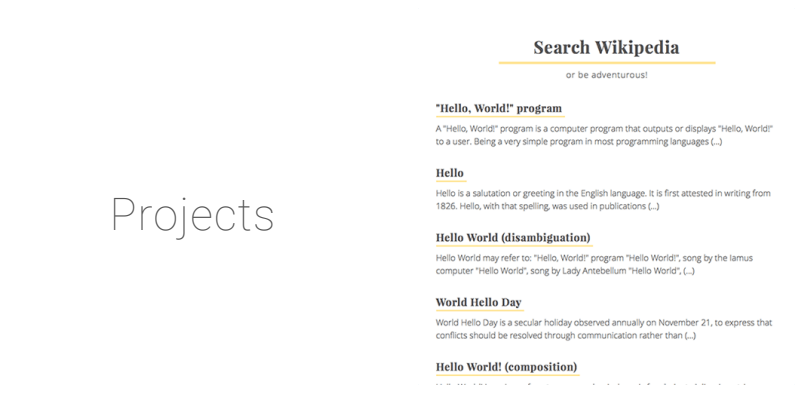
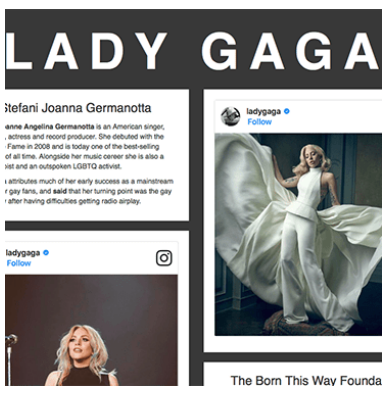
Hello, my name is Victoria Bergquist

Frontend developer with a focus on design and responsive web experiences.
I'm currently dedicated to finding my first developer job.
Get in touch with me on LinkedIn or Twitter!

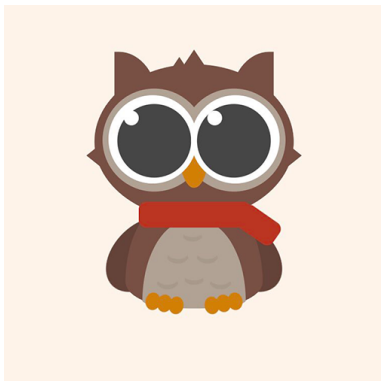
Projects

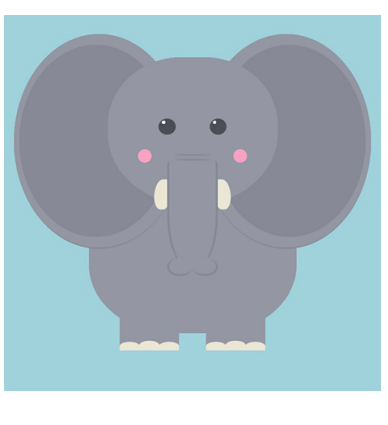


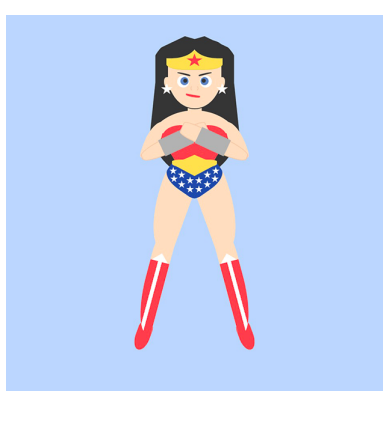


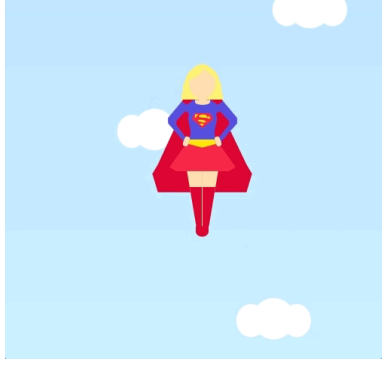


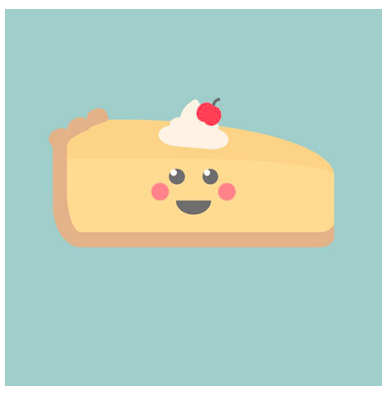
Pure CSS Images

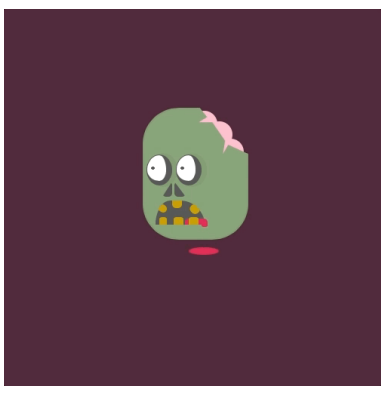


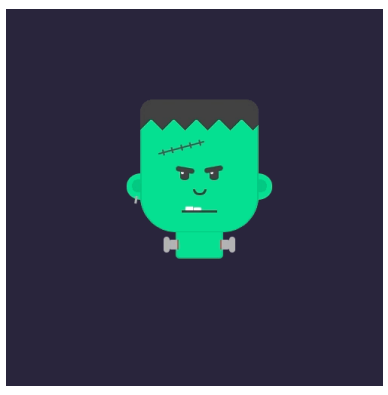


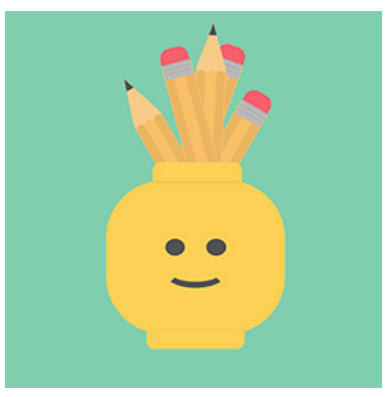


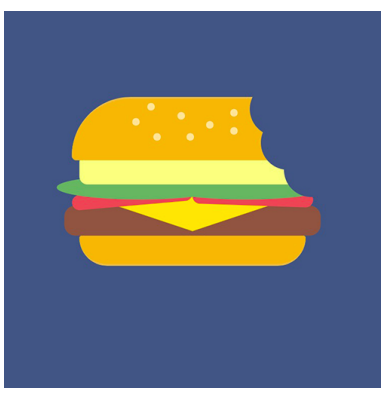












A brief introduction to me

I have a Bachelor of Arts in Japanese and German. I studied media and communication in high school and completed classes in design, photography and journalism. I work with HTML5, CSS3, JavaScript, jQuery, Sass and Bootstrap, as well as Git, Sketch, Adobe Photoshop, InDesign and Atom.
