# Hello, my name is Victoria Bergquist

I'm a frontend developer currently looking for my first developer job.
I strive to create responsive web experiences and design is my passion.
Check out my work below or get in touch with me on LinkedIn!

## Projects

## Pure CSS Images

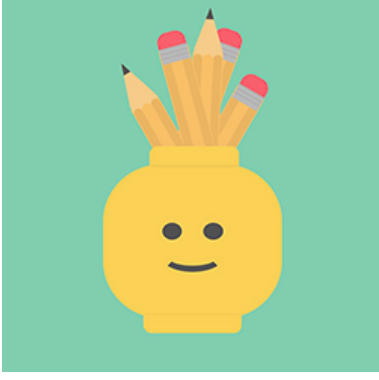

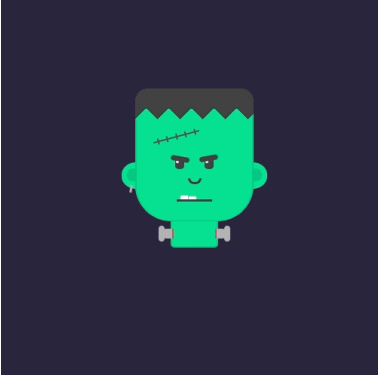

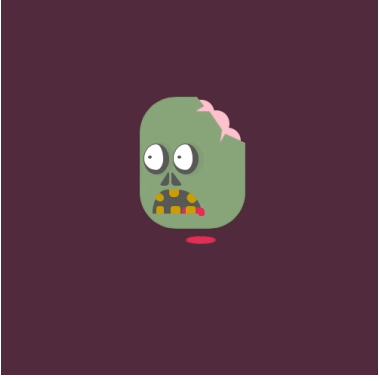

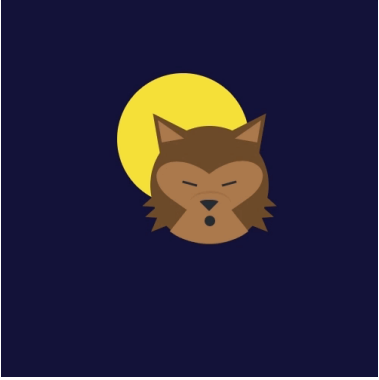

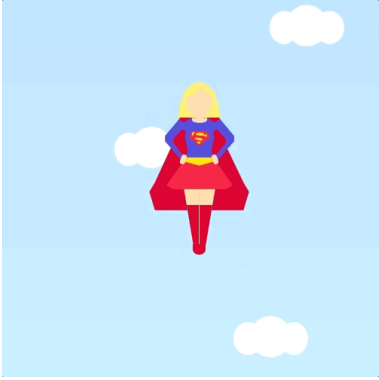

## A brief introduction to me

I have a Bachelor of Arts in Japanese and German. I studied media and communication in high school and completed classes in design, photography and journalism. I work with HTML5, CSS3, JavaScript, jQuery, Sass and Bootstrap, as well as Git, Sketch, Adobe Photoshop, InDesign and Atom.
